Green Group Weekly Message – Week 7 – Plastics

Encouragements:

As we move into the Autumn Season why not have a go at this challenge – try a weekly food shop at your local supermarket; then try a weekly shop at a local farm shop (eg The Balloon Tree) or one of the online food suppliers (eg Able & Cole). Note the difference in the amount of plastic you collect for ‘recycling’ at the end of each week. The difference may be quite a surprise.

Warnings: Last summer, ‘Everyday Plastic’ volunteers worked with the Environmental Investigation Agency UK to place tracking devices into 40 bundles of soft plastic packaging and dropped them at front-of-store collection points in supermarkets across England. Of the tracked soft plastic packaging waste collected for recycling, 70% that reached a final destination was burnt, not recycled! The rest ended up at recycling facilities that downcycle soft plastic waste into lower value products, the majority of which were in Turkey! (Source: EverydayPlastics)

Archdeaconry Welcome Service for the new Bishop of Selby

Sunday 3 November at 3.30 pm in Selby Abbey

The new Bishop of Selby, Flora Winfield, is being consecrated in York Minster on 10 October and the Archdeaconry is holding a welcoming service for her at Selby Abbey on 3 November. Archdeacon Sam is keen for as many as possible to attend and says: “Bishop-elect Flora will preach and preside at this service. It would be a joy to see as many people as possible at Selby Abbey as we rejoice and pray with our new bishop. On this occasion, given the numbers we hope will attend, clergy and readers will not be expected to robe.” An idea of numbers would be helpful. Please would you let the office, or Juliet, know by Sunday 27 October at the latest if you plan to attend. Thank you.
